- ❶ A New Business correction is classed as an amendment that doesn't change the risk or the price (such as a spelling mistake).
- ❷ This fee applies when your insurer instructs us to cancel your policy back to the start date. The insurer will treat the policy as invalid from the outset, but we take a fee to cover our administration costs.
- ❸ The Cooling-off period is up to 14 days from the start date of the policy or (if later) the day on which you receive your policy documentation and supporting information.
- ❹ If you cancel your policy before the cover has started you will receive a refund, but we take a fee to cover our administration costs.

These amounts are in addition to any fees and/or charges made by your insurer or PCL. All fees & charges are non-refundable unless otherwise stated. We are paid a commission calculated as a percentage of the loan made to you from PCL.

We charge you a fee to arrange and administer the motor policy with the insurer on your behalf. We will tell you the exact fee amount for arranging your motor policy before you purchase it. We are paid a commission by the insurer based on your vehicle and your circumstances which forms part of your total annual motor premium or a percentage of your total annual motor premium. We are paid a flat fee by the insurer for arranging any optional extras on your behalf.

- 5. Cancellations
If we or the insurer cancel the policy, we will write to you providing a minimum of 7 days' notice of cancellation. This cancellation will be to your last known postal or e-mail address, in line with your preference to receive policy documentation.

If you cancel your direct debit or finance agreement with Premium Credit Ltd this does not mean cancellation of your motor insurance policy, which is a separate contract. Please contact us to arrange an alternative payment method or cancellation of your policy.

Cancellation of the main motor insurance policy also cancels any optional extra insurances that you may have selected and as listed under Section 2 above. We make a full refund of premium for all optional extra insurances within the 'cooling-off' period. Thereafter, no refunds are due.

- 6. What happens at renewal?
We aim to find you the most competitive premium by searching our panel of insurers for any future renewal.

Unless you have asked us not to use your debit/credit card to make payments for your insurances, we will let you know via e-mail and/or letter that we intend to automatically renew your policy along with any optional extra insurances you hold.

If you pay by direct debit, your policy, and any optional extra insurances you hold will automatically renew with the instalments continuing to be taken each month.

You have the right to change your renewal preference at any time, and this can be actioned through the Customer Portal, by LiveChat (where available) or by telephone. If you change your permission just before your policy renewal date, the renewal payment may already have been requested from your card or your first instalment may already have been requested from your bank. In these cases, we will arrange for a refund.

If no notification of our intention to take payment is shown on your renewal invitation, or we have not received your permission for your debit/credit card to be used to make any future payments for your insurances, then your policy will not renew, and you will need to renew your policy using the Customer Portal or Live Chat with us if you wish to maintain cover.

- 7. Payment of premiums (including Direct Debits)
Premium Credit Limited (PCL) is the company used by us to provide direct debit finance to enable its customers to pay for their insurance by spreading the costs over regular instalments instead of paying the whole premium up front. Premium Credit will apply an additional £5 Facility Fee to the first instalment.

Unless otherwise agreed, payments must be made on their due date and your cover is only effective from the time we receive payment. We may cancel or lapse cover where payments are not received on time. If you choose to pay by direct debit, you will pay more for your insurance. Your personal information and the bank details you provide will be passed to Premium Credit Limited (PCL).

To assess your application for credit, PCL will search public information that a credit reference agency holds about you. Details of their search and your application will appear on your record, whether or not your application proceeds. If you have any questions about your instalments, contact PCL at www.premiumcredit.co.uk/contact.

At renewal of your insurance policy we will continue to pass your details to PCL unless you tell us otherwise. Please refer to your policy documentation or PCL welcome pack for further details, including your right to cancel under the terms of the 'cooling-off' period.

PCL will tell us if you fail to make payment by direct debit under the terms of your credit agreement or if you end the agreement. This may result in your policy being cancelled and any money owed to PCL under your premium finance agreement will be deducted from any premium refund from the insurer.

If PCL have been paid in full any remaining refund will be used to offset Europa Group Limited's costs including fees & charges.

Europa Group Limited acts as agents of the insurer in collecting premiums and handling refunds due to clients, such monies are deemed to be held by the insurer with which your insurance is arranged. Any interest earned on these monies is retained by Europa Group Limited.

8. Collection of outstanding payments (and refunds)

You must continue to make payments in full and on time for your insurances, including after a notification of a claim, or we will commence cancellation procedures. If within seven calendar days of our notice you fail to respond, and you have given your permission for your card details to be used, we will try to collect any outstanding payments owed. If this fails, or we have not received permission from you, we may pass the debt to our Debt Collection Agency (for which an additional fee may be charged). Any costs that they incur in the recovery of the debt will be added to the amount outstanding. Any refund due to you will be returned to the debit/credit card we hold on file. Total refunds less than £10 shall be retained due to administrative costs incurred to process refunds.
